

## 2 Thumbs Up – New Hire!

### Always bringing it, always ready!

RK RUBBER is pleased to announce the latest addition to our team—Melissa Greupink, Customer Service Manager. To say she hit the shop floor (ground) running would be an understatement. She has two full marathons, countless half marathons and six triathlons sprints under her belt... oh, and 28 years of industry experience to boot!

Yup, she's bringing it!

*"I'd like  
to think of myself  
as a problem solver...  
especially when  
the answer calls for  
an unconventional  
solution."*

Melissa Greupink  
Customer Service Manager

### Industry savvy

Melissa is excited about her new role at RK RUBBER. She can immediately apply her past experience as an inventory purchasing agent. She also is adept in quoting and customer service details. Add NAFTA government regulations and compliance expertise and you begin to get the full bandwidth of Melissa's capabilities. Did we mention she's bringing it?

### Always ready

Beyond being a seasoned industry professional, Melissa is a proud wife, mother, grandmother and patriot – having multiple generations of United States Marine Corp family members' to honor and salute. One of her ongoing highlights is her role as a volunteer at the Michigan Victory Games held each year at Michigan State University. This will be her fifth year in giving of her time and service to these athletes with physical disabilities; a most rewarding experience that fuels her admiration for all those with the will to excel.
