Stay away from substandard materials and shoddy methods

- Use clean, well-maintained tools
- Use high quality materials
- Use proper techniques
- Use proper equipment
- Use proper safety procedures
- Use proper storage

We've got plenty up our sleeves...
No wait, make that- We've got
plenty of sleeves @ RK Rubber!
(Where you're always aces)

Want to be a "SMARTIE"? Here's 3 easy ways:

- 1) Join NIBA
- 2) Attend a NIBA tech seminar.
- 3) Visit RKRubber.com for all your fabrication needs.

"There's a lot to be gained from NIBA.
Look into 2016's upcoming
Edu/tech opportunities"

Dell Gutknecht
NIBA Board of Directors

Dell Gutknecht
