

Happy Retirement Dick!

Let's get Ziggy with it!

The RK RUBBER family and crew would like to announce Dick Ziegler's retirement as of this month and congratulate him on a most notable career. Dick (Zig) has stacked up an impressive 40+ year industry run. We have been fortunate to have had him as our Operations Manager for 28 of those dedicated years.

"PBR that retiree – asap!"

Zig's office door was always open. He freely shared his vast industry knowledge; mentoring many green horns along the way. It's no secret that he played an integral role in RK's long growth track... just hand him a cold one and ask for yourself!

"This too shall Pabst"

It's high time for Zig to make time for Zig. Always the selfless giver, Dick always put others first; be it his co-workers, his customers and most precious, his kids. So we pretty much know how this guy is going to spend his retirement days... putting his family first – of course!

"What'll you have?"

As we've said, Zig's ideal retirement will be spending more time with his family... now that's a good call.

CHEERS ZIG!!!!
