I've said it, you've said it, we've all heard it... "Man, summer is going by fast!" Trust me, it zips by even faster the older one gets. In my neck of the woods, State Fair and back-to-school ads are unmistakable signals that summer is indeed on the way out.

Luckily, I enjoy all the seasons and sometimes I get to have them all in the same month... *that's Wisconsin weather for ya.* Therein lies the message — "enjoy them all."

We continue to mark and celebrate RK RUBBER'S 125th Anniversary. We're doing our best here to enjoy every year we are in business and break it down to enjoying every day of this celebratory year. May you do the same.
