**RK RUBBER®**

CONSTRUCTION / MINING

MATERIAL HANDLING

Gaskets • Sleeves • Vulcanizing • Conveyor Belts • Fabrication • Die Cutting • Seals

You need a heavy-duty belt with hot vulcanized rubber cleats? We can do that. What's that... attached stainless steel angle iron cleats – no problem.

We can handle whatever belting needs you've got. And we'll ship in weeks NOT months. Give us a call, email or a shout... we are the "choice of industry."
