

Gaskets • Sleeves • Vulcanizing • Conveyor Belts • Fabrication • Die Cutting • Seals

We use only the best materials for fabricating rubber parts. Made in America – and proud of it. Our deliverables outlast and outperform the cheap knock-off stuff.

Don't be fooled by overseas pricing. If it sounds too good to be true, it probably is.

You can't go wrong with a company that's been around since 1898. Give me a call on an estimate or send in an RFQ. You'll quickly see why we are a trusted industry leader... standing the test of time.
