Success deep into the season.
Hitting expectations and even
setting a few records... and I'm
not even talking about the local
baseball crew; I'm talking
about my crew
of craftsmen.

We're in the running every year,
128 years and counting. Talk
about a winning streak!

Now don't get me wrong, I'm also
pullin' for those other guys. From
proud corporate sponsor over
the years to being a lifelong fan,
success loves company too.

Deep into the Season!

"TOE THE RUBBER" TAKES ON
A WHOLE NEW MEANING WHEN
RK RUBBER IS AT THE BALL PARK!

I know
it's a good thing
whenever we can feature
a baseball cartoon this
deep into the season.
Go Crew!
