To my customers-
Customers like you are the heartbeat of our business. We are deeply grateful for your partnership and wish you a peaceful holiday surrounded by loved ones.

To my employees-
This holiday, I'm taking stock of what makes our company strong– and it is all of you.

Thanks, team, for your dedication, high craftsmanship, and the heart you put in to your work.

Finally, to my family and friends-
Behind every busy workday and milestone is a family that supports and grounds me. To my family and friends, thank you for your endless patience, love, and encouragement– I am eternally grateful for you.

Happy Thanksgiving,

Dell Gutknecht
General Manager

OUR MAIN COURSE!

CONVEYOR BELTS
We fabricate rubber conveyor belts in our own production facility using state-of-the-art equipment. Our experienced team receives continuous education and training through NBA (The Belting Association) to learn the latest advancements in splicing and fabrication.

SLEEVES
We can help identify the best material for your specific application and quickly supply Straight or Tapered (Conical) Flex Connectors to any material handling manufacturer or distribution facility in the U.S.

ORDER UP!

GASKETS
We fabricate rubber designs to meet unique needs for gaskets, O-rings, and sealing products using high-quality rubber materials. We offer die cut and hand fabricated options in order to meet each project's requirements.
